Subject: Price increase as of May 18th, 2026

Dear Distributor,

For several months now, we have been facing a sustained and significant increase in the price of aluminum, a raw material essential to the manufacture of our products. Despite the measures we have implemented to limit the impact (optimizing purchasing, improving our internal processes, and streamlining costs), this increase necessitates an adjustment to our prices.

Therefore, effective May 18, 2026, a 5% adjustment will be applied to our price lists. This price adjustment allows us to continue providing you with the highest quality products while maintaining our commitment to a balanced and sustainable business relationship.

The date your purchase order is received will determine the price charged. Therefore, any order received by 5:00 PM on May 15, 2026, will be billed at the 2026 V1 price. Your new 2026 V2 price list is attached to this email.

We thank you for your understanding and loyalty. We remain at your disposal for any further information. If you have any questions, please do not hesitate to contact Mr. Nicolas Aubé, Director of Finance and Administration. He will be happy to assist you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tommy Brochu", with a long horizontal flourish extending to the right.

Tommy Brochu
Vice President of Sales
