RE: Pricing Update - GAF Roof & Wall Coatings

Dear Colleagues,

As always, we're dedicated to offering you timely updates on any upcoming pricing changes. Due to rising costs within our supply chain, we will be implementing the following price and freight adjustments.

Please refer to the chart below for each affected product category and the recently updated GAF Roof & Wall Coating freight surcharge policy:

Product	Increase Amount
All Silicone Products	6%
All Acrylic Products	3%
SEBS Coatings	8%
Primers	6%
All Other Coatings Accessories	5%
Freight Surcharge - less than 4 pallets	FOB Plant
Freight Surcharge - 4 pallets or more	\$600 (CAD) / TRK

These increases will be effective for all shipments on/after August 1, 2026. We will honor any job quotes issued prior to today through the original expiration date. GAF Roof & Wall Coatings pricing will be valid for 90 days, unless otherwise noted on the quotation.

If you have any questions or need additional information, please do not hesitate to reach out to your GAF representative or me directly.

Best Regards,

Jon Wentworth  
Sr. Director, GAF Liquids & Coatings
