Jun 24, 2026

Dear Valued Customer,

*Due to the impact of Tariff-Rate Quotas (TRQs), additional global surtaxes, and the inability of domestic mills to adequately supply Western Canada, please be advised that a 10% price increase on all steel gutter coil products will take effect on **July 13th, 2026**.*

Incoming inventory is at an elevated cost not permitting us to accept pre-orders on this product. We reserve the right to limit order quantities based on purchasing history and volume.

We have worked diligently to maintain stable pricing on this product line, with our last adjustment being a price decrease in 2023. Unfortunately, the continued increase in costs associated with tariffs and global trade measures can no longer be absorbed, making this adjustment necessary.

We would like to express our sincere gratitude for your continued support and partnership over the past 45 years. Thank you for choosing Wayne Building Products as your trusted supplier and partner. If you have any questions regarding this change, please contact your local sales representative.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chad Fortowsky', with a stylized flourish at the end.

Chad Fortowsky

Director of Sales

Wayne Building Products Inc.
