Subject: Royal® Aluminum Price Increase

Dear Royal® Aluminum Distributors,

Due to increased costs of bare aluminum along with other inflationary factors including paint, fabrication and transportation costs, Westlake Royal Building Products™ is announcing a price increase for all Royal® Aluminum Products as outlined below effective with all orders shipped on and after December 7, 2025.

The following products will be subject to the price increase:

- 13% Increase: Regular Painted Soffit, Fascia, Aluminum Accessories, Trought Coil, Trim Coil & Rainware
- 5% Increase: All Cedar Renditions™ Siding, Soffit and Accessories, including Trim Coil

During the implementation period for the price increase, we will continue to monitor and accept orders at your current pricing, based on your average purchase volumes from previous years over a comparable timeframe.

If you have any questions or concerns regarding this communication, please contact your Customer Service Representative or your Territory Manager.

Sincerely,

Gary Taylor
Vice President, Canada Sales
