Subject: US Tile™ Price Increase

Dear Valued Customer,

Westlake Royal Roofing Solutions is announcing a price increase of 10% on all US Tile products nationwide, effective June 15, 2025.

Updated price books will be made available to you no later than mid-May 2025.

**New prices will not be put into effect until June 15, 2025.** These changes will apply to all orders shipped or picked up from our facilities on or after June 15, 2025. Your local sales representative is available to review the specific increase percentages across the product lines you require.

Please contact your local sales representative or customer service for any questions or to find out more about these products.
